

Rabbi

A rabbi is a teacher who is so familiar with all aspects of the Jewish tradition that he can give several answers to every question. He leads religious services in the synagogue and gives explanations of the Torah readings. And in the area of Jewish Law, he is especially an expert – a learned person who can teach you a lot. For centuries, only men could become rabbis. However, nowadays female rabbis are accepted in certain synagogues.

My notes:

Tip from Max

Working on a school project about what a Rabbi is? Show the animated film [Torah](#).
